LA SALLE LOYALTY SONG

By Fred Waring, Tom Waring
and Pat Ballard

We'll be ever loyal to thee, La Salle;
Ever willing to prove our devotion.
As Explorers we'll always go onward,
exalted in heart and soul.

We'll strive to reach our goal,
O'er ev'ry crag and shoal,
The Blue and Gold—our constant
inspiration.

We'll be ever loyal to thee, La Salle,
As we rally and sing of thy glory,
La Salle. REPEAT (rubato)

THE PRESIDENT'S MESSAGE

The Student Handbook is a compilation of the rules and regulations, the observance of which will bring about the good order which is a necessary condition for the well-being of the community in which the administration, faculty and student body participate.

Such rules and regulations have for their purpose the welfare of the student. They are the means whereby the College is better able to serve the interests of the student and to realize more completely the aims and purposes of the program of the College. It is from this principle that the Handbook derives its great importance.

Moreover, it is from the Handbook that the student learns what are his rights, privileges and obligations as a member of the college community. It provides the common basis for the proper relations between the members of the college community. Between its covers is found the formula for a happy, purposeful and successful student life.

A thorough familiarity with the Handbook is an indispensable condition for a fruitful participation in the religious, intellectual and social life of the college community. Let its message call us all to that harmony which spells good order and creates understanding and good will.

HISTORY OF THE COLLEGE

In 1863, eighteen years after the Christian Brothers first came to the United States, the development of Catholic education in the Diocese of Philadelphia had created the need for a Catholic college within the limits of the city. To that end, a group of eminent priests and laymen, led by the Most Reverend James Frederick Wood, later Archbishop of Philadelphia, obtained a charter for the incorporation of La Salle College from the Legislature of the Commonwealth of Pennsylvania. The Christian Brothers' Academy, which had been organized during the previous year as a part of St. Michel's parochial school, became the nucleus of the new college.

By 1929, when it was moved to its present site, the College had already outgrown three previous locations. And almost as soon as the College and Faculty buildings were occupied, ground was broken for the Field

House, which was ready for use early in 1930.

Since then the continued growth of the academic and athletic programs of the College has necessitated additional facilities. These include McCarthy Stadium, built in 1937 and named for John A. McCarthy, a generous benefactor of the College; McShain Hall, dedicated in 1940 and named for John McShain, another generous benefactor; Leonard Hall, the building housing the cafeteria and campus store, was completed in 1947 and named for Brother Gervald Leonard, whose devoted service to the men of La Salle College has endeared his memory to all who knew him; and Benilde Hall, a new building with facilities for nine classrooms and offices for members of the faculty. It is named for Blessed Brother Benildus, the second Christian Brother whom the Holy See has seen fit to consider for canonization.

A new Library building, designed to house more than 100,000 volumes and to provide ample research and study

facilities for the students and faculty of the College was opened in the fall of 1952. Two residence halls of modern architecture were ready for occupancy in the fall of 1953.

Thus, since its inception, La Salle College has grown steadily in order to meet the demands for modern Christian education, especially during these last few years when so many veterans have taken advantage of the opportunity to obtain or complete their college education.

THE FACULTY OF LA SALLE COLLEGE

The faculty of La Salle College is made up of Brothers of the Christian Schools and of laymen who have devoted their lives to Christian education. The Brothers, following the tradition of their Founder, Saint John Baptist de La Salle, have dedicated their lives to the education of youth: "Without the possible distractions of the priesthood, Brothers give their undivided energies to the men in their classes. . . . Divided from them only by the thin lines of a religious habit

and the tremendous but invisible wall of their vows, they can win confidence, solve problems, and offer sympathetic understanding. They are teachers lifted to supernatural heights by their consecration.”*

The laymen on the faculty have been selected for their special qualifications in their chosen field of endeavor and for their adherence to the principles of Christian education typified by the Brothers of the Christian Schools.

THE AIMS OF LA SALLE COLLEGE

The basic aim of La Salle College is to offer an education which is Catholic, which possesses a liberal basis and which prepares the student for specialized graduate training or for an immediate career.

In providing a Catholic education, La Salle College regards the student as an individual whose personality is to be developed according to the Christian pattern. Courses in religion are included in the curriculum for the pur-

* Reverend Daniel A. Lord, S.J.

pose of developing the person according to this Christian pattern. In addition, certain courses in philosophy, taught in the classical Aristotelian-Thomistic tradition, are prescribed. This dual program provides not only a religious orientation but a systematic approach to all knowledge that is of value in every aspect of the student's academic career. The religion and philosophy courses integrate the student's diverse college instruction with a Christian synthesis of life. Co-curricular activities—some devotional, cultural, social and others apostolic in nature—assist him in achieving this integration. The non-Catholic student follows courses in religion as well as the prescribed courses in philosophy. He should recognize that he is living in a Catholic environment disposed to influence him favorably.

Bachelor of Arts Program

In providing a liberal education for the student who elects the Bachelor of Arts curriculum, the College seeks to

place him in an environment that will enable him to work to the limits of his capabilities so that the transition from formal education to self-education can be readily facilitated. This objective is achieved not entirely by preparing the student for a specific career but by giving him the opportunity to acquire the prerequisites for any career: the ability to speak and to write correct and effective English; the ability to read with facility and appreciate our cultural, literary and scientific heritage whether written in the classical languages or in French, German, Italian or Spanish; a basic knowledge of the forms of English and American literature, of the natural and social sciences, of history, philosophy and religion.

The basic requirements will have been satisfied, for the most part, by the end of the student's second year in college. Thereafter, in courses which occupy the major portion of his last two years, he is in a position to learn as much as possible about one area of concentration. These courses may be

selected for the express purpose of qualifying him for admission to a graduate school of arts and sciences, a professional school, the teaching profession or for entrance into the world of business or into social work.

The outlined program for the Bachelor of Arts degree embodies the educational ideal which the College professes—training in the sciences which treat of God and man and the arts which men practice as rational and free beings.

*Bachelor of Science in Business
Administration*

Another program, closely related to the one leading to the Bachelor of Arts degree, is provided by the College to the student who elects to follow a curriculum in the area of Business Administration. This Bachelor of Science curriculum includes the religion and philosophy courses mentioned above, as also certain basic requirements for liberal training. Thus, the basic elements of the student's liberal educa-

tion are assured. Only after these are completed will the student be advanced to study in a specific area of concentration. Curricula of concentration in Accounting, Finance, General Business, Industrial Management, Industrial Relations and Marketing are selected with a view of preparing the student to enter the business world with a general knowledge of the principles that govern business operations or to enter a graduate school of Business Administration.

In the case of every La Salle College student, however, the same basic principle applies: the recipient of the Bachelor's degree is provided with a knowledge that is not only fundamental but also specialized, two necessary qualities in the educational development of the whole man.

THE OFFICE OF THE DEAN

The Dean of the College is the chief officer of the academic division of the school.

Students should feel free to consult the Dean in the following matters:

1. anything pertaining to scholastic pursuits;
2. approval of rosters and schedules;
3. permission to make changes in courses of study;
4. permission to schedule extra hours;
5. permission to discontinue a course;
6. delayed, postponed, deferred examinations;
7. questions concerning scholastic standing;
8. the Dean's list;
9. withdrawal from College;
10. interruption of veteran training.

THE OFFICE OF THE VICE-PRESIDENT

The area in which the Vice-President functions may be divided into two major categories under the common title of Student Affairs.

Students may feel free to consult with the Vice-President in matters that

either directly or indirectly are connected with what is called Student Services:

1. the Office of the Chaplain;
2. the Counseling Center;
3. the Medical Service;
4. Student Aid and Campus employment;
5. the Housing Program.

Students may also consult the Vice-President on the following, classed as Student Organizations:

1. Intercollegiate Athletics;
2. Intramural Sports Program;
3. Social or other activities of all student clubs as such.

Outside these two categories the Office of the Vice-President may be referred to for problems concerning discipline and absence of students.

THE REGISTRAR'S OFFICE

The registrar's office attends to the following matters:

1. filing of student records and course marks;
2. issuance of transcripts;
3. classification of new students;
4. determination of advanced standing;
5. issuance of student reports.

Important: The registrar's office must be given a week's notice before the issuance of a transcript.

THE OFFICE OF THE BURSAR

The Bursar should be consulted whenever a student wishes information about tuition, fees, receipts of bills and any financial arrangements.

Each student is required to complete his course registration within the period as set forth in the calendar of this bulletin. A student who fails to do so may complete his registration only with the approval of the Dean and upon payment of a late registration fee.

The fee for transcripts of school records is payable to the Bursar.

All students are expected to take their examinations during the regular examination period. Students failing to do so may take the examination at a later date upon paying a delayed examination fee for each examination.

The cost of books and other equipment, not included under fees but procured under the facilities of the College, must be paid at the time of purchase.

La Salle College reserves the right

to amend or add to the above listed obligations at any time and to make such changes applicable to students at present in the school as well as to new students.

Regulations

All tuition, fees, and other expenses are to be paid within ten (10) days after the beginning of the current term, or an arrangement must be made with the Bursar of the College within the same period for the establishment of a deferred payment plan.

Deferred Payments

Provision is made under a deferred payment plan for students who may have difficulty in meeting their total expenses in advance. The student is required to enter into a contract¹

¹ In all instances where a deferred payment plan is requested, the student, or, if he is a minor, his parent must sign a note for the unpaid balance and the signer will be strictly responsible for making payments when due.

The privilege of dividing payments is not to be construed as an arrangement whereby a student may contract for less than a full term of work in the courses for which he registers or be relieved of any part of his tuition obligation.

whereby he agrees to pay his Tuition, General Fee and the Carrying Charge Fee for Deferred Payment in four (4) equal installments per term. Under this agreement one-fourth of the total expense must be paid within ten (10) days after the beginning of the current term.

A fee of \$5.00 per term is charged for servicing deferred payment accounts. If the total expense is paid within sixty days of signing the agreement the deferred payment fee will be waived.

Refunds

Students who withdraw from the College or from a part of their program of studies for a satisfactory reason before the end of the fifth week of the term may request a refund of tuition. The request for refund must be made at the time of withdrawal. The official withdrawal form must be filled out at the Office of the Dean.

Matriculation, Registration, and General Fees are not refunded. If a sat-

isfactory reason for withdrawal is given, the charge for tuition will be revised according to the following schedule: If the period of attendance is two weeks or less, 80 per cent is refunded; between two and three weeks, 60 per cent; between three and four weeks, 40 per cent; between four and five weeks, 20 per cent. If a student attends more than five weeks, no refund is made. Students who are requested to withdraw because of disciplinary action will not be given a refund of tuition.

Obligations

No student who is delinquent in the payment of tuition or other fees or against whom the College holds record of indebtedness will be given a diploma of graduation, or a transcript of record until such indebtedness has been paid. A student who owes tuition or other fees at the close of the term will not be permitted to take his term examinations or to receive credit for that term.

RESIDENCE STUDENTS

Two modern residence halls, each housing more than seventy students, were opened in the fall of 1953.

The rooms are all double rooms. Each is completely furnished. For the academic year of 1954-55, room, board, and other residence hall expenses shall be a single fee of:

FRESHMEN: St. Bernard Hall

Fall Semester	\$400.00*
Spring Semester	375.00

	\$775.00

UPPERCLASSMEN: St. Albert Hall

PER ACADEMIC YEAR ..\$750.00

Personal linens such as towels, wash cloths, etc. must be supplied by the student. Meals are provided in the newly renovated College cafeteria in Leonard Hall.

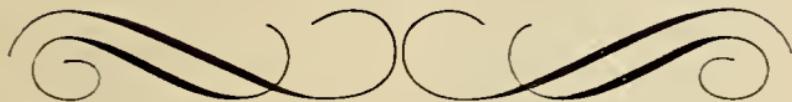

* Freshmen entering in the fall semester are required to be on campus two weeks prior to the formal opening of classes.

SACRED HEART SHRINE

ACADEMIC AFFAIRS

BROTHER F. CHRISTOPHER, F.S.C.,
Ph.D., *Dean*

THE DEAN'S MESSAGE

Education has been referred to as a spiritual adventure into the realms of knowledge concerning Almighty God, our fellowman, the created world about us, and ourselves.

This adventure offers many challenges which must be met with whole-heartedness and with perseverance. The aims of La Salle College, as stated here in your handbook, are your guides in the pursuit of this adventure. These aims should be constantly kept before you lest you lose sight of your fourfold educational objective—your religious, moral, physical, and intellectual development.

The members of the faculty and administration are interested in helping every student achieve this objective. You, as students, must use all your native ability, organize your work well, and engage in it industriously with that motivation which will carry you through your entire four years.

My congratulations to the Freshmen who are joining our student body this year. To all our students I offer assurance of my constant personal interest in their progress at La Salle.

Sincerely,

BROTHER F. CHRISTOPHER, F.S.C.

FACULTY COMMITTEES

Faculty committees which bear direct influence on students are the following:

1. *Committee on Academic Standing and Degrees.*

Brother F. Christopher, *chairman*; Brothers D. Augustine, G. Joseph, Dr. Flubacher, Mrs. Lennon.

This committee meets after semester examinations to discuss students who are not in good standing. Recommendations made in each case flow from the deliberations of the committee. This committee, likewise, determines whether a candidate has fulfilled the requirements for a degree. Should the committee deem it necessary, students may be asked to appear before it. Any communication to the committee by students can be filed with the chairman of the committee.

2. *Committee on Recommendations.*

Since 1947, a rule has been in effect concerning letters of recommendation

in favor of students applying to a professional school or a non-professional school.

No student is permitted to solicit a letter of recommendation from individual members of the faculty. Students desiring a letter of recommendation must apply for such by filing a request with the chairman of the particular committee empowered to recommend the student. The opinions of any or all members of the faculty are available to the Committee on Recommendations.

A. Applications for recommendations to professional schools, such as Medical Colleges, and applications for recommendations to graduate schools of science, are to be acted upon by the following committee:

Brother Christopher, *chairman*; Dr. Holroyd, Brother D. Julius, Brother M. Edward.

B. Applications for recommendations to non-science professional schools, such as Accounting Schools,

Schools of Business Administration, and Schools of Law, are to be acted upon by the following committee:

Mr. Guerin, *chairman*; Mr. Henry, Mr. Halpin.

C. Applications for recommendations to non-professional graduate schools are to be acted upon by the following committee:

Dr. Flubacher, *chairman*; Brother G. Robert, Mr. Barrett.

THE LIBRARY

The new College Library Building, erected in 1952, is located on the Olney Avenue side of the campus. Its collection of 36,000 volumes and 300 magazine subscriptions is centered around the College curriculum and provides most of the books a student is ordinarily called upon to consult.

Withdrawal of Books

Each student will be given a library card entitling him to withdraw books for home or library use. He must

present this card each time a book is withdrawn, and he shall be held responsible for all books drawn on the card. Books may be retained for a two-week period and may be renewed once.

Reference works (dictionaries, encyclopedias, and the like) are shelved in the main reading room. These are for use in the library only and may not be withdrawn for outside use.

Books placed on reserve by faculty members for the use of students may be withdrawn for use in the library. Some may be taken out for overnight use. Regulations concerning these are posted in the "List of Reserve Books" at the charging desk.

A fine of two cents per day (higher in the case of reserve books) is charged for books not returned on time. During the period when a student owes a fine or retains an overdue book, his library privileges are suspended.

SCHOLASTIC REGULATIONS

1. Registration.

A student has registered when he has completed the required form cards and has complied with the directions given below.

The cards are approved by a member of the Dean's Registration Committee. They are taken to the business office for the Bursar's approval. He returns to the student the stamped course cards and a roster card for the student's use.

Three identification photos, one-and-a-half inches by one-and-three-quarters inches, are required. These are taken during the period of registration.

2. Attendance.

A student is expected to attend every class in each course for which he is enrolled. No student should excuse himself from class for the reason that he feels he has been placed in a course or a section below his level of achievement. In such a case, a student should

report promptly to the Dean who will investigate the unsatisfactory placement and make whatever adjustments may be deemed necessary. A student is held responsible for all the work that he missed as a result of absence from class or laboratory.

Failure to be present in class or a laboratory ten minutes after the time when the instructor in charge opens a scheduled class or laboratory exercise constitutes an absence.

A "cut" is the privilege of absence from class without penalty from the Vice-President's office. It is enjoyed only by a student in good standing.

A student in good standing is permitted in each semester a maximum of "cuts" equal in number to twice the number of semester credit hours assigned to that course. "Cuts" are not to be regarded as a right but as a privilege reserved for conflicts with extra-curricular engagements, for sickness, and other unforeseen circumstances. A student is held re-

sponsible for all work missed because of "cuts."

A student in good standing who is doing unsatisfactory work by mid-semester may lose the privilege of "cuts" at the discretion of the Dean.

All students are expected to attend classes regularly. Cumulative absences of more than two weeks or consecutive absences of more than one week in any course are regarded as excessive. The instructor of the course will deal with such cases in accordance with the circumstances which necessitated the absence and will notify the Vice-President's office in either case. A student who is absent to excess and without good reason is given a grade of "F." Attendance is noted from the first regular class meeting regardless of the time of registration.

All absences will be treated as unexcused absences unless excused by the Vice-President.

Absences are computed from the first class meeting of the semester. Absences due to late arrival, to post-

ponement of enrollment, to change of courses, to unsatisfactory placement, are charged against the student unless excused by the Vice-President.

A student who has exceeded the limit of cuts allowed in a given course may be excluded from the course until permitted to return to it by the Vice-President.

Anticipated absences from class for which excuses are desired because of extra-curricular or academic engagements must be reported by the student to the Vice-President's office no later than one day before the actual day of absence. Where a group is involved, the proper authority in the group must arrange for the excuse.

3. Credit Hours.

A semester credit hour is defined as 50 minutes of lecture or recitation, or the equivalent amount of laboratory time per week for one semester of 16 weeks. The normal student load is 16-18 credit hours per semester.

4. Full-Time Student.

A student who is enrolled for a semester in courses which have a total credit evaluation of at least twelve semester hours is a full-time student.

5. Scholastic Load.

No student ordinarily carries a roster having a total credit evaluation of more than eighteen hours. Permission to carry more must be expressly secured from the Dean. This permission is usually restricted to those who are on the Dean's list.

Additional courses over and above the regular roster assigned to the student may not be taken without the express approval of the Dean. There is an extra charge of \$12.50 per credit for each approved course taken in addition to the regularly scheduled roster. Ordinarily, only those students who are on the Dean's list are permitted to take extra hours.

6. Special Student.

A student who is not enrolled for a

degree, but who is qualified by previous preparation to take certain courses for credit is a special student. Credits earned by a special student may be counted towards a degree as soon as he has met all the requirements for entrance and candidacy, provided that the credits thus earned be applicable to his program of studies for the degree. A special student cannot hold a scholarship nor take part in extra-curricular activities.

7. Examinations

Examinations are ordinarily given at the end of a semester. However, additional examinations are given whenever the instructors deem them advisable.

Students who for satisfactory reasons fail to take a semester examination at the scheduled time may take a postponed examination. A postponed examination permit must be secured in the Dean's office.

8. Grades

A progress report (mid-semester

grade) in each course of every student is submitted to the Dean's office at the middle of each term. Permanent records are made only of the final course grades submitted at the end of a semester.

A report at the termination of the Freshman year is sent to the principal of the high school from which the student was graduated.

A copy of course grades will be sent to the student at the end of the semester.

In determining the final course grade, recitations, written examinations, and the final examination are considered. In recording the final grade for each course, the following system is employed:

- A—SUPERIOR (93-100)
- B—VERY GOOD (84-92)
- C—AVERAGE (77-83)
- D—PASSABLE (70-76)
- F—FAILURE (below 70)
- I—INCOMPLETE
- N—CONDITIONAL
- WP }
WF }
WX } —WITHDRAWAL

The "C" grade is given for work that satisfies the average requirements of a course. It means that the student has attained such familiarity with the content of a course and such ability to use this knowledge as may in fairness be expected of any student of ordinary ability who gives to the course a reasonable amount of time, effort, and attention.

The grade "B" is given to that student who adds to this average of satisfactory attainment a high degree of excellence in meeting some of the characteristic demands of the course, or a moderate degree of excellence in several of these. He may, for example, be conspicuous for unusual accuracy, completeness in factual detail, or perfection in form of work; for independence of method, for grasp of the subject as a whole, or for a touch of the constructive imagination. The "B" student, however, definitely fails to show such excellence in his response to one or more tests.

The "A" grade is given for superior

work. It is a mark which signifies conspicuous excellence in meeting every demand which can fairly be made by the course.

The "D" grade is the lowest passing mark. It is given to that student who is below average in ability, knowledge, interest, effort and attention, but who is not completely unsatisfactory.

The "F" grade is given to a student who is so deficient in ability, knowledge, effort, interest, etc., that he does not merit a passing grade.

An "F" grade is likewise assigned to a student who withdraws from a course without the written permission of the Dean.

The "I" grade is a provisional semestral grade given by an instructor to a student who has otherwise maintained throughout the semester a passing grade in a course, but who has failed to take the semester examination in the course or to complete certain prescribed course work. If the absence from the examination is excused by the Dean, the student will

take a postponed examination not later than six weeks following the term in which the "I" (Incomplete) grade was given and will receive the grade to which his performance in that examination and his semester's work entitle him. If the absence is not excused by the Dean, or if the unfinished prescribed work is not completed to the satisfaction of the instructor by the end of a two-weeks' period following the term in which the "I" (Incomplete) grade was given, the "Incomplete" will automatically become a "Failure."

The withdrawal grade is given to a student who receives permission to withdraw from a course, or who withdraws from the college with permission before the end of the term. If the student's work at the time of withdrawal is satisfactory and if the reason for withdrawal warrants such, the withdrawal mark will be WP; if the work is unsatisfactory, the mark will be WF; if the withdrawal occurs within the first two weeks and there is

no reason for assigning another grade, WX is assigned.

A student who withdraws from a course must secure a withdrawal permit from the office of the Dean and present it to the instructor from whose course he is withdrawing; otherwise he runs the risk of incurring a grade of F for the course.

The conditional grade—N—is given at the end of the first term of a two-term course when the work of the first term has been too poor to merit a passing grade, but yet the student's attitude and progress in the course indicate that he may be able to pass the work of the second term. If the student then receives an "F" grade for the second term, the "N" for the first term also becomes an "F"; if he receives a passing grade ("A," "B," "C," or "D"), his grade for the first term becomes a "D" and he receives for the second term the grade actually earned for that term.

No one but an instructor in a given

course can assign or change a grade in that particular course. Such a change must have the approval of the Dean's office.

9. *The Scholarship Index.*

The scholarship index system is used at La Salle to determine a student's average grade. In determining the index, each letter grade is ascribed a numerical value as indicated below:

- A is valued at 4 points;
- B is valued at 3 points;
- C is valued at 2 points;
- D is valued at 1 point.

A point score is calculated for each course by multiplying the numerical equivalent of the letter grade by the number of semester hours. The scholastic index, or the average grade of all courses, is determined by dividing the sum of the point scores for all courses by the total number of semester hours. An example follows:

Grades	Subject	Value	Hours	Points
B	Religion 101	3	2	6
C	English 101	2	3	6
C	History 123	2	3	6
A	Economics 111	4	3	12
F	Math. 101	0	3	0
D	French 101	1	3	3
				17 33

The scholastic index is 1.94, the quotient of 33 divided by 17. The index of 4 is a perfect grade.

10. *Quality Point Score.*

The purpose of the Quality Point Score is to establish a level of proficiency and scholarship which is above that attained by passing and low average grades. In calculating this score, each letter grade is given a numerical value as indicated below:

A is valued at 3 quality points per credit hour.

B is valued at 2 quality points per credit hour.

C is valued at 1 quality point per credit hour.

D or less do not merit any quality points.

The number of quality points per course is the product of the number of semester credit hours times the grade value. The example of grades in section 9 would yield 19 quality points for that semester's work:

Grades	Subject	Value	Hours	Quality Points
B	Religion 101	2	2	4
C	English 101	1	3	3
C	History 123	1	3	3
F	Math. 101	0	3	0
A	Economics 111	3	3	9
D	French 101	0	3	0
				17 19

A total of 132 quality points is one of the requirements for a degree.

(The Quality Point Score is not to be confused with the Scholarship Index explained in Section 9.)

11. *Good Scholastic Standing.*

A student is in *good scholastic standing* when:

(1) he has attained a cumulative scholarship index of (a) 1.50 or better during his Freshman year, (b) 1.75 or better, during his Sophomore year, (c) 1.90 or better, during his Junior year; (2) he has not received "Failure" grades in more than one-third of the credit hours which comprise his official roster for the term last completed; and (3) his disciplinary record is satisfactory.

A student is considered a member of the class with which he will be graduated; transfer students, students who are making up failures, and students whose scholastic index is too low to admit them to standing with those students with whom they entered school are considered as members of the next lower class until they have cleared all deficiencies.

The annual standing of a student is determined on the basis of the average of all his previous semester grades.

12. *Scholastic Discipline.*

Failure to obtain a final grade of

at least D in a course listed on a student's roster results in a deficiency in that course.

Any course dropped without the written permission of the Dean is recorded and evaluated as a deficiency (Failure, F).

13. *Academic Censure.*

Academic censure may assume any one of four forms, depending on the gravity of the situation calling for scholastic discipline. An evaluation of student records is made at the end of every term.

(a) *Warning.* An official *warning* is given to a student who has received "Failure" grades in one-third of the semester hours which comprised his official roster for the term last completed.

(b) *Probation.* A student is *placed on probation* when:

(1) he has attained a cumulative scholarship index of (a) less than 1.50 during his Freshman year, (b) less than

1.75 during his Sophomore year, (c) less than 1.90 during his Junior year; or (2) he has received "Failure" grades in more than one-third of the semester hours which comprised his official roster for the term last completed. Such a student will be continued on probation until he satisfies the conditions for *good standing*.

A student on probation forfeits, at the discretion of the Committee on Academic Standing, the privilege of cuts, participation in extra-curricular activities and eligibility to class office.

(c) *Suspension*. This is forced withdrawal from courses and residence with the privilege of returning at the discretion of the Committee on Academic Standing.

(d) *Dismissal*. This is forced withdrawal from courses and residence without the privilege of seeking readmission.

- A student is liable to dismissal:
- (1) when he has attained a cumulative scholarship index of (a) less than 1.00 during his Freshman year, (b) less than 1.50 during his Sophomore year, (c) less than 1.75 at the end of his Junior year;
 - (2) if he has received "Failure" grades in one-half of the credit hours of his official roster for that year;
 - (3) if he has been on probation for two terms; or
 - (4) whenever, in the opinion of the Committee on Academic Standing, a student shows by poor scholarship that he is no longer profiting by the educational program of the College.

The Committee on Academic Standing carefully examines all the factors involved in each case of academic censure. Any student so concerned may request an opportunity to appear in person before the Committee on Academic Standing.

In matters of student discipline and when the Committee on Academic

Standing cannot function the above forms of censure may be administered by the Dean of the College.

14. *Scholarship Students.*

An honor student, who has been appointed to scholarships, or who has earned a scholarship in competition, is expected to maintain a B average (a general average of 3.0); otherwise, the scholarship will be forfeited.

15. *Dean's Honor List.*

The Dean's Honor List is published at the termination of each semester.

Those students who have a cumulative average of 3.4, are placed on the Dean's List. To be eligible for this list, a student must have complied with all of the regulations of the College and must be free of all academic censure. Freshmen are not eligible for inclusion on this list.

Students on the Dean's list are excused from the regulations governing attendance at class. However, they are expected to fulfill the requirements of every course rostered, what-

ever be the nature of the requirements.

16. Lower Division Requirements.

At the end of the fourth term, every student shall be required to choose the area of instruction in which he wishes to concentrate in the Upper Division.

He should have earned a minimum of 68 semester credit hours and a minimum of 68 quality points in Lower Division work. Permission to concentrate in the chosen area will be granted to those students who have attained at least a "C" grade in the courses which are required for that area in the Lower Division. A student who fails to qualify for an area of instruction may not advance to the Upper Division.

17. Upper Division Requirements.

The general requirements for the completion of any of the Upper Division curricula are the successful completion of 12 hours in the required Philosophy courses, 4 hours in required Religion courses and a minimum of 32 hours in courses in one Area of In-

struction, plus sufficient other courses to bring the total number of semester credit hours to 64. These 64 hours earned on the Upper Division must be in courses that have been designated as Upper Division courses for the curriculum which the student is following.

18. Senior Standing.

A student is eligible for senior standing when his record indicates that he can complete all requirements for the degree in two semesters.

19. Requirements for Degree.

The candidate for the bachelor's degree must complete course work equivalent to 132 semester hours and must attain a quality point score of 132. A minimum of 64 hours in Upper Division courses must be included in the total of required hours.

He must likewise have fulfilled all the requirements of the Area of Instruction in which his curriculum was followed.

Eight semesters are required for a

degree. The senior year must be spent as a regular student in attendance.

A candidate for the degree must have removed all failures in those courses which are listed in his particular Area as being required. In all cases, final judgment will rest with the Committee on Academic Standing.

20. Honors.

The bachelor's degree with honors shall be conferred on a student who has completed his course at the College with an average of all marks not lower than 3.4 and without having incurred the penalty of loss of good standing for disciplinary reasons.

In the computation of honors, the candidate for the bachelor's degree who has earned an average of 3.8 in all courses will be graduated with the designation *maxima cum laude*.

A candidate who has earned an average of 3.6 during the same period of time, will be graduated with the distinction *magna cum laude*.

A candidate who has earned an

average of 3.4 will graduate with the distinction *cum laude*.

Honors are computed on the basis of the work done for eight semesters.

Only the names of those students who are to receive degrees on Commencement Day will appear on the program of the graduation exercises.

All students who are to receive degrees on Commencement Day are required to attend the Commencement Exercises, unless specifically excused by the President of the College. This directive also applies to the rehearsal for Commencement. Students who are excused must notify the Dean in writing they will not be in attendance.

21. Awards.

Each year, through the generosity of friends of La Salle College, awards are made to members of the student body in recognition of excellence achieved in the various fields of College activity.

The *Corporal William S. Diamond, II, Scholarship*, which covers full tui-

tion during the Sophomore Year, is awarded annually on the basis of scholastic standing and financial need to a student who has completed his Freshman Year at La Salle College and is enrolled in a four-year curriculum.

The *Sir James J. Ryan Memorial Award*, which is offered to the Senior with the best scholastic record;

The *Honorable William F. Harrity Memorial Award for Religion*, which is open to all students of the College;

The *Anastasia McNichol Memorial Award for the English Essay*, which is open to all students of the College;

The *William T. Connor Awards* are offered to those Seniors who have excelled in certain subjects.

The *John J. Mooney Award* for the Senior with the best scholastic record in Language and Literature.

The *Honorable Vincent A. Carroll Prize* for the Senior who has the best scholastic record in Philosophy;

The *Vernon Guischard Award for French* granted annually to the stu-

dent in the Upper Division of the department of French who has maintained the best scholastic record in the study of the language and literature of France during his course of study.

Medals for Excellence in French are offered each year by the French government to the two students who have demonstrated the highest proficiency in the study of French letters and culture.

The *John McShain Prize* offered to the member of the Senior Class who has maintained an excellent scholastic record and is considered by the faculty to have done most for the *public welfare of La Salle College*. In determining the winner of the McShain Award, the Committee on Awards considers the following features of a Senior's record at La Salle: Scholastic; Cultural, which includes participation in such activities as debating, the glee club, dramatics, etc.; Social, participation in the conduct of activities in this area; and finally, the responsibility assumed by the individual in general

service to student activities.

About one month before Commencement, all Seniors are requested to submit to the Committee on Awards a list of the activities in which they engaged over a period of four years. An evaluation of these activities will enable the committee to select the Senior to whom the Award is made.

The *Philadelphia Chapter of the Pennsylvania Society of Public Accountants Award* is offered to the Senior with the highest scholastic average in Accounting.

The *Pennsylvania Institute of Certified Public Accountants Awards* presented to two Seniors in recognition of their high scholastic record in accounting subjects and the demonstration of qualities of leadership.

The *Alpha Epsilon Honor Society Award* offered to the Senior with an excellent scholastic record who has shown great interest in extra-curricular activities.

The *R.O.T.C. Award*. A medal is given each year by the Association of

the U. S. Army Artillery to the outstanding graduating cadet of the La Salle College R.O.T.C. Unit. The medal is a bronze reproduction of the Palma Vicchio painting of Saint Barbara encircled by the words: "Association of the U. S. Army Artillery R.O.T.C."

The *Army R.O.T.C. Sabre*, donated by La Salle College, is offered to the Senior with the best record in Military Science.

The *Military Order of the World Wars Medal*, given by the Philadelphia Chapter, to the graduating R.O.T.C. cadet who excelled in R.O.T.C. and has also shown great interest in extra-curricular activities.

The *Catholic War Veterans Medal*, given each year by the Philadelphia County Chapter to the R.O.T.C. freshman who was most active in R.O.T.C. activities.

22. *Electives.*

The courses listed in the various curricula of the six Areas of Instruction

are, with the exception of the Religion and Philosophy courses, prescribed by each major. Course programs may be altered in individual cases with the written consent of the Course Adviser and the approval of the Dean. Where electives are permitted, they may be taken only with the written consent of the Course Adviser for the curriculum involved.

23. Change of Courses.

A student may make, with the written approval of the Dean, a change in his roster of courses before the lapse of one week following the beginning of a semester. Courses dropped or discontinued without the written approval of the Dean after this period are recorded as "Failures" and are so evaluated for all purposes. The classes missed in the course to which the student transferred ordinarily are charged against the student.

24. Change of Curriculum.

A student may be permitted to change from one Lower Division Pro-

gram to another, or from one Area of Instruction to another, only when his previous record indicates that he may profit by such a change. In any change of this type the student must have the written permission of his future Course Adviser and the Dean, and enters the new curriculum on a probation basis. This change may entail taking approved summer courses or an additional semester in college. In no case may a student who transfers receive promotion or a degree sooner than he would have received it, had he not transferred. No degree may be received less than one year after a change of curriculum.

25. *Withdrawal.*

A student who withdraws from the College must submit a written statement to that effect to the Dean. In the event that a student withdraws without submitting the above notification, except where parents or guardian have made a similar request in writing, honorable dismissal is not granted.

The date of filing a notice of withdrawal is considered as the date of withdrawal in all cases.

26. *Religious Instruction and Philosophy.*

Every Catholic student, unless excused by the Dean, must follow the prescribed courses in Religious Instruction. If a student is a transfer, he must make up these courses.

Non-Catholic students are required to follow certain specified religion classes and the prescribed courses in philosophy. During the freshman and sophomore years, non-Catholic students follow courses in Basic Philosophy and Philosophy of Religion which treat of the fundamentals providing a basis for an outlook on life in conformity with the spiritual nature of man. These courses prepare the non-Catholic student for the required advanced courses in Philosophy and are not to be considered as part of the required 18 hours in Philosophy. Non-Catholic students in the Upper Divi-

sion substitute a course in the Holy Bible—Old and New Testaments—for the course in the Dogmatic Teachings of the Catholic Church required of Catholic students.

Each student must follow the prescribed courses in Philosophy on the lower and upper divisions. The required number of hours in Philosophy covering both divisions is 18.

27. National Freshman Testing Program.

All freshmen participate in this program during Orientation Week. The results of these tests are of invaluable assistance in directing freshmen in their scholastic endeavors.

28. National Sophomore Testing Program.

Sophomores take part in this program at the completion of the lower division program of studies. The results of these tests not only measure the achievements of the first two years of study, but they likewise enable the students to compare their accomplish-

ments with students in similar standing on a nation-wide scale.

ACADEMIC GUIDANCE

1. *Freshmen Counsellors.*

Early in the Freshman year Counsellors are assigned to assist the new student to adjust himself to the change brought about at the start of his college career. Freshmen should seek the help of their Counsellors so that they can prepare themselves to make an intelligent choice of the Area of Concentration from which their major field will be selected. Counsellors precede Course Advisers in the academic guidance program.

2. *Course Advisers.*

Academic guidance is necessary to enable students to derive the utmost benefit from their programs of study. Members of the faculty are appointed to give assistance in the selection of programs of study and of courses within such programs. Course Advis-

ers work under the direct supervision of the Dean's office.

Freshmen are to register during the last week of April with the Course Adviser of the Area in which they are working.

Sophomores are to register during the first week of May with the Course Adviser assigned to the Area of Concentration of their choice.

Juniors will be interviewed by their Course Advisers during the second week of May.

In Areas where a student builds his roster for the following term from Electives (e.g., a student who is following a Liberal Arts program; Education students seeking certification in various fields, etc.) it may be necessary for him to consult with his Course Adviser before the close of the current term. In such cases, a final roster must be approved for a student before the beginning of the following term.

Every student must have his roster approved and signed by his Course Adviser before turning in his selection

of courses to the Dean's office.

Course Advisers for the various disciplines are as follows:

STUDENT AFFAIRS

BROTHER DANIEL BERNIAN,
F.S.C., Ph.D., *Vice-President*

MESSAGE FROM THE VICE-PRESIDENT

The lives of heroic men are always challenging because they are lighted by the dynamic conviction that man with God is great and that he has been given something great to do despite his times and circumstances. Cowards are unwilling to accept opportunity, fearful to undertake to completion the great task at hand, too prone to blame others, too easily discouraged along the way. You must have an overwhelming faith in the importance of the work you have to do. St. La Salle had such a faith in the Christian education of youth, and from him La Salle College has inherited her faith in the importance of your education.

Christian education aims at the perfection of the whole man—his spiritual, intellectual, physical, and social perfection. Life and living are more complex than just one Sunday Mass, one biology lesson, or one successful basketball season. Education is more than training for making a living; it is training for living. La Salle College wants to give you such an education. Cooperate with her. Take advantage of what she has to offer.

The unselfish, well-trained, professional men who make up the teaching faculty at La Salle work together for your development toward perfection. So too, dedicated men are at your service in the persons of your counselors and advisers in the Dean's Office, the Counseling Center, the Chaplain's Office, the Medical Center, the Office of Housing, the Athletic Office, the Office of Student Organizations, and many others. Go to them. Cooperate with them for your greater good—for your preparation to face successfully the crises of this troubled world.

BROTHER DANIEL BERNIAN, F.S.C.

GENERAL REGULATIONS

1. *A Student Directory.*

A card file containing the name, address, telephone number and current roster of each student is located in the Library. Students are requested not to approach any office in search of this information. The student directory, located in the Library, is for general reference.

2. *Bulletin Boards.*

There are two official bulletin boards. The office of Academic Affairs has for publication of notices the boards outside the Dean's office. Other bulletin boards are departmental. Students are held responsible for all notices appearing on the official bulletin boards within twenty-four hours after posting.

The office of Student Affairs has for publication of notices the boards located near the Twentieth Street entrance to the College building. Student groups making use of the bulletin boards for announcements of their activities shall type or print neatly such notices on a piece of paper that meas-

sures approximately eight inches by eleven. For shorter notices, a piece one-half this size may be used. Notices which are carelessly prepared are subject to removal without explanation. After a notice has expired, those responsible for its posting are expected to see to its removal.

Posters or notices advertising events held outside of the College's jurisdiction must have the permission of the Vice-President's office before they can be exhibited on the official bulletin board.

Posting notices of college events on the campus grounds must have the permission of the Vice-President.

Students are prohibited from affixing notices to any part of the wood-work or walls in corridors and classrooms. Failure to comply with this regulation will subject students to disciplinary action.

3. *Outside Work.*

A student who plans to support himself in whole or in part during a

semester should obtain the approval of the Vice-President and should report the details of the proposed employment to the Vice-President's office. The sole reason for this is helpful guidance of the student's program of study.

4. Student Discipline

There is no elaborate set of regulations which defines the conduct of La Salle men. They are expected to act at all times with the propriety befitting Catholic young men. Any departure from this standard of conduct, on or away from the campus, is subject to such disciplinary action as may be deemed necessary by the college authorities. Such action will be directed by the President, Dean or Vice-President of the College after the Faculty Disciplinary Committee reviews the case.

This non-scholastic disciplinary action may take one of the following forms:

A. *Probation*—wherein a student has shown himself guilty of misconduct sufficiently grievous to warrant notice by the College authorities and where his status as a College student is such that privileges (including academic) ordinarily granted a student are temporarily denied him. A student on probation is subject to close supervision by the faculty. The time limit for the period of probation is set by the Dean.

B. *Suspension*. Such action is taken when the misconduct drawing censure assumes grave proportions. Suspension means exclusion from classes until the end of the semester during which the student draws such action upon himself. Suspension does not deny the student the privilege of re-entering the college at the start of the following semester or at some future appropriate time.

C. *Dismissal*. A serious breach of the canons of conduct expected of Catholic young men may result in dis-

missal. Such action means exclusion from classes without the privilege of reentering them. Usually such action means dishonorable withdrawal and an entry is accordingly made on the student's permanent record.

5. *Demeanor.*

The deportment, dress, posture, actions, language, and tone of voice of a cultured college man are expected at all times.

A student presents himself properly dressed for class in a suit, shirt and tie. Shoes should be polished. Should he so choose, the student may wear a sport shirt with a tie provided he wears a coat. If the collar of the shirt is so constructed that a tie cannot be properly worn, he may omit the tie, but not the coat. The collar of the shirt should always be buttoned. The coat need not match the trousers. Regular trousers may be replaced by dressy slacks. A sweater or jacket may be worn with a shirt and tie which should be visible.

The tone of voice should be lowered when in close proximity to the chapel, in the corridors during class hours as well as during change of periods, in the library and in general, whenever charity or the promotion of an environment of study and the well being of fellow students demands it.

6. *R.O.T.C.*

In addition to the regulations contained in this Handbook, R.O.T.C. students will comply with the Cadet Regulations published by the Department of Military Science.

7. *Property Damage*

In the event of damage to any building, furniture, apparatus, or other property of the College, students responsible for such shall be held liable and subject to disciplinary action.

8. *Smoking Regulations.*

Students are permitted to smoke in the following places:

1. The corridors of College Hall

2. The basement of College Hall.
3. The lobby of the Auditorium
4. The lounge in the Library base-
ment

A sufficient number of ash trays are provided in the above locations.

Smoking is strictly prohibited at any time in:

1. All classrooms and laboratories
2. The auditorium and on the stage
3. The Faculty residence
4. Any part of Benilde Hall

9. *Campus Pride*

Students are requested to respect the neatness of College buildings and grounds. Receptacles are provided for articles to be discarded.

Students using the facilities of the cafeteria are urged to remove eating utensils when finished in order to provide table space for their fellow students. Lunches are to be eaten in the cafeteria. No lunches are to be eaten in classrooms, corridors, laboratories, or

lounge rooms. It is specifically forbidden to eat lunches on the College quadrangle.

Students are not permitted to use the quadrangle as a playfield.

Students are strongly exhorted not to make short cuts through the quadrangle and other lawns.

10. Parking Regulations.

Students may park on the south side of Olney Avenue; on both sides of Twentieth Street south of Olney Avenue and on the west side of Twentieth Street north of Olney Avenue except in the areas marked by "No Parking" signs.

Parking is prohibited inside the campus gates and on the east side of Twentieth Street, north of Olney Avenue. Students are subject to fines for violation of parking regulations.

11. Non-Liability.

The College will not be responsible for books, articles of clothing, etc., left behind by the student when he

leaves the premises or even when he is on the premises; nor will it assume responsibility for the loss due to theft, fire, etc., of books, clothing, or other articles in possession of the student.

12. Insignia

No insignia bearing the seal of the College can be used by any organization without the specific approval of the Vice-President in each case. This refers to club keys, class rings, and any other emblems bearing the College seal. The sale of class rings bearing the seal of the College shall be transacted through the College store.

Students are not permitted to wear athletic insignia of other institutions on the campus.

13. Out-of-Town Students.

All students not residing at home must live on the campus. In extraordinary circumstances, permission to live elsewhere may be requested from the Vice-President. Those students who do not reside on campus must reg-

ister their local residences with the Director of Housing. Such residences are subject to inspection by the College. If found to be unsatisfactory, the student concerned will be notified and placed on probation until he obtains new, approved quarters. The Director of Housing provides such students with a list of available rooms that are approved.

14. Advertisements.

No student may solicit or accept advertising material or enter upon any contracts pertaining thereto for use in any publications, programs, or announcements connected with the College in any way unless both the purpose of the advertising and the names of the prospective advertisers are approved by the Faculty Adviser and the Vice-President.

15. Campus Store.

The La Salle College Campus Store is a service provided for student convenience. It is located in Leonard

Hall. All books, supplies, and class materials may be procured there. It is the policy of the Campus Store to offer these necessities at reasonable prices in keeping with market trends. The Campus Store provides the student with the opportunity to procure such articles as sports wear, jewelry, pennants, religious articles, novelties, etc.

16. Merchandising.

All students are forbidden to engage in merchandising of any kind on the premises of La Salle College.

17. Mail.

Day students are not permitted to use the address of La Salle College for the receiving of their personal mail. Mail addressed to students concerning school activities is delivered to the post office in the College basement. Student-boarders will be provided with post office facilities in this same vicinity.

18. Telephone Messages.

Telephone messages are not delivered

personally except in cases of emergency.

19. Use of Facilities.

Permission to use class or lecture rooms for student meetings must be secured from the Vice-President.

Student groups desiring to use the auditorium, lounge or any campus facilities for general meetings or social functions should submit a formal request to the Vice-President's office after first securing the signature of the Faculty Adviser and the clearance of the Calendar Committee.

20. Public Address System.

Announcements over the public address system are prefaced by the signal, "Attention, please!" Students are requested to pay close attention to such announcements.

21. Lost and Found Department.

Lost or found articles are to be reported to the Campus Store.

CLASSES

1. Faculty Advisers.

A Faculty Adviser for every class and for every extra-curricular activity will be appointed by the Vice-President of the College. He shall act as liaison officer between the organization and the Vice-President, acting for the College administration.

The President of the class or organization should inform the Adviser of the time and place of all meetings.

The President of the organization should consult with the Adviser regarding the agenda of the meeting.

The Adviser shall act as judge in all questions as to the legality, propriety or diplomacy of decisions or actions of the organization or its members in what concerns college regulations, cordial relations with other campus activities and inter-institutional relations.

The Secretary shall keep the Adviser informed concerning the membership of the organization. (This does not refer to classes.)

2. *Officers.*

The class officers shall be a President, Vice-President, Secretary and a Treasurer.

Any member of the class who is carrying a failure in his studies or who is on probation may not serve as a class officer or chairman of any committee representing the class or the student body as a whole. Should a student who falls into any one of the aforementioned categories receive a failure or be placed on probation during a term of office, he loses his office automatically, and another student, in good standing, may be elected to fill out the unexpired term.

3. *Elections.*

All elections and meetings must have the consent of and be supervised by the Faculty Adviser and Student Council. The minutes of the meetings must be available to the President, Dean and Vice-President of the College upon their request. Elections, appointments, as well as general or particular

business of class or general student bodies, may be nullified by the President, Dean or Vice-President of the College when such is considered necessary for the common good.

Class officers for the scholastic year should be elected toward the close of the term preceding the scholastic year for which the elections are held. Ordinarily this period would fall during the final weeks of the Spring semester, the officers, then, beginning the discharge of their duties at the start of the following scholastic year. During the period of transition, this may not be possible in every case.

The Freshman Class may elect trial officers during the Fall term but their term of office will last only for the time specified by the Class. The final election of Freshman Class officers will be held at the end of the Fall term.

The method employed in the elections shall be similar to that used in civic elections. In general, this shall mean a written ballot to be cast at a central polling place.

That the election be considered valid, one-half of the total possible vote must be polled for any office in question.

A committee of three, appointed by the Class President, or, when that is not possible, by the Faculty Adviser, shall comprise the official board to count the ballots and to announce the election returns. This board shall be under the direct supervision of the Faculty Adviser.

ORGANIZATIONS

Student groups, organized for specific purposes be they academic, social, religious, or athletic, contribute desirable outcomes to student life as a whole. Campus life is incomplete without such groups and organizations.

Student groups require the permission of the faculty. Application for approval should be filed with the Vice-President through the Student Council. Specific approval of the nature and purpose of such groups insures their harmonious blending into campus

life. A group is given official status as a student organization when faculty approval is granted. The general regulations governing the conduct of classes as groups applies to particular student organizations likewise.

To avoid the vagueness and generality induced by large memberships, no group may comprise a number that exceeds sixty. When membership exceeds this level, there is great difficulty in preserving the specific objectives of a group and gradual disintegration with consequent dissolution results. Two copies of membership lists, including officers, should be filed with the Student Council. The Council will forward one copy to the Vice-President.

Clubs and societies should work in close cooperation with their Faculty Advisers. This always insures unquestionable propriety.

Student delegates to intercollegiate meetings must have the approval of the Vice-President.

The following organizations have

been a rich part of La Salle's traditions:

Accounting Association

This is an organization of all Upper Classmen majoring in Accounting who are interested in broadening their knowledge of financial matters and being appraised of the opportunities for positions subsequent to Graduation. College Students*

Operating through a series of National and Regional Commissions, NFCCS coordinates and directs activities in such fields as Interracial Justice, Mariology, Press, Family Life, International Relations, Confraternity of Christian Doctrine, Industrial Rela-

tions, Liturgy, and others. NFCCS is one of the groups which fulfills the papal definition of Catholic action.

The Youth Department of NCWC directs each member college (there are 182 at present) to select or elect two students who will represent their college on the Regional Executive Council and plan the program for the Region. These two delegates report to the student body on the activities of the Federation on all levels.

La Salle is in NFCCS to a major degree, holding the National Commission on Interracial Justice which directs interracial activity throughout the nation's Catholic colleges, and the Regional Interracial Commission, which performs a similar function on the local level. Also at La Salle is the Vice-Presidency of the Philadelphia Region (consisting of eight colleges).

Newtonian Society

The Newtonian Society is an academic organization devoted to the interests of students in the physical

sciences. The society sponsors frequent lectures, given by the faculty, members, or invited guests.

The Newtonian Society likewise supports other activities of a scientific or social nature, as the opportunities of the school calendar and the interest of the members direct.

Philosophy Club

The Philosophy Club offers an opportunity to consider the problems of philosophy more extensively than do the required courses but without the emphasis on technical aspects required of Philosophy Majors. Two kinds of memberships are available: *Active*, for members who have time to prepare material for discussions; *Participating*, for members who have time only to be present for meetings.

Pi Delta Phi

The Alpha Psi Chapter of Pi Delta Phi, the National French Honor Society, was established on the campus in 1951. The purpose of the society, as

defined in the charter, is to foster a wider knowledge of and a greater love for the contributions of France to world culture.

Podium Society

The purpose of the Podium Society is to encourage interest in classical and semi-classical music. Weekly recorded concerts are presented to further the appreciation of fine music. These concerts consist of excerpts from operas and symphonies, as well as data regarding the works and lives of the great composers. In addition to the regular schedule of weekly concerts, a number of evening programs are given to which members may bring guests. After two years' membership in the organization, the Podium Society Gold Key is awarded provided a member has maintained a satisfactory scholastic average.

Praefectus Club

This is an organization composed of student managers of athletic teams.

To be eligible for membership in the Praefectus Club, a candidate must:

1—Serve one year as an apprentice manager, this apprenticeship to be served in the sophomore year, and then be voted in by members;

2—Maintain a high level of scholarship;

3—Evidence loyalty to La Salle and her ideals;

4—Have a keen desire to work for the good of the College;

5—Be courteous and gentlemanly at all times.

The benefits to be derived from an organization of this kind are the satisfaction of knowing that one is performing a necessary and worthwhile function, and that one is bringing to the attention of visitors to the campus the high type of young man comprising the student body of La Salle.

The athletic department plans to give each member a distinctive indication of his membership. A blue blazer and shield will be awarded upon

satisfactory completion of one year of service and being voted into the club by the members. A dinner meeting will be held annually at which new members will be chosen.

Those selected to be head managers during the senior year will receive the varsity monogram and sweater in advance, so that they may be worn during the senior year. All other managers will receive appropriate awards.

Residence Hall Council

The purpose of the Council is to meet the needs of the students whose local address is not that of their parents or near relatives. The organization is composed of four committees whose interests are classed as religious, social, athletic, disciplinary. The religious committee has the task of stimulating religious activities among the out-of-town students. This group cooperates with the Chaplain in developing the religious program. The social and athletic groups organize these important factors to develop a balance

in the recreational and physical health of that part of the student body under their jurisdiction. Programs of social affairs and competitive sports are set up by these committees. These programs may never interfere with the official programs of the College but must be in accord with the general organization. The discipline segment has as its main purpose the achievement of order and harmony between the students and the administration and mutual understanding in the solution of problems pertaining to out-of-town students boarding on or off campus. The adviser is the Director of Housing.

Sigma Beta Kappa—Gamma Chapter

In the Spring of 1947, the Gamma Chapter of Sigma Beta Kappa was formed on the campus of La Salle College. A national Catholic organization devoted primarily to the development of character and campus leadership on the basis of a strong sense of Christian morality, the fraternity membership is limited by its charter to a

small segment of the student body.

Any undergraduate of the College may be pledged to Sigma Beta Kappa, the deciding factors in the selection of new members being the ability of the pledge to carry out the aims of the group.

Each chapter of the National Fraternity is required to adopt as a secondary aim some political, social, or economic phase of Catholic action. Prior to the final approval of its charter and by-laws at the end of the Summer of 1947, La Salle's Chapter, in a unanimous decision of its charter members, voted to advance a sound program of Catholic Youth Welfare.

Society for the Advancement of Management

This is the national professional society of management men. It aims to enhance the application of scientific management principles in industry and to foster the development of future managerial talent. Activities in the student chapter of S.A.M. prepare

PUBLICATIONS

The major student publications of the College are the *La Salle Collegian* and the *Explorer*. The former is the weekly newspaper, which serves both as a workshop for students interested in journalism and as a vehicle for disseminating information to the student body. The latter is the yearbook published by the members of the graduating class to serve as a record of college life and of the outstanding events of the year.

A literary magazine, *Four Quarters*,

is published quarterly during the academic year, aimed at focusing the practice and appreciation of writing in the Catholic tradition and aimed more particularly at fixing a channel of expression for Faculty, Alumni, and Students of La Salle College, the Brothers of the Christian Schools, and selected outside contributors.

RELIGIOUS ACTIVITIES

The religious activities of La Salle College seek to unite the academic, cultural, social and athletic parts of campus life into the God-centered whole which is the ideal and peculiar mark of a Catholic college.

The Chapel is convenient both for private visits to the Blessed Sacrament and for college devotions.

Daily Mass is said for the students at 7:25 and 7:55 A.M. Confessions are heard before Mass and also from 12:15 to 12:45 P.M. Devotions to the Sacred Heart are held on the First Friday of every month. A special retreat of three days is held each year

which each student is required to attend.

During the school year certain feasts are celebrated by special Masses or devotions. A Mass of the Holy Ghost begins each Academic Year. A Mass is sung on the feast of St. Barbara, the patron saint of artillerymen, which all members of the La Salle unit of the R.O.T.C. attend in uniform. A triduum and a sung Mass in honor of St. John Baptist de la Salle, Founder of the Christian Brothers and patron of the College, is also held each year.

An announced Mass of Requiem is said in the college Chapel after the death of a member of the immediate family of any student or faculty member. On All Souls' day a special public Mass will be celebrated for all deceased relatives and friends of students or faculty members of La Salle.

During May and October devotions to the Blessed Virgin Mary are conducted in the Lourdes Grotto on campus.

The College provides a full-time resident chaplain, whose services are available to the students at all times.

ATHLETICS

La Salle College supports a program of intramural and intercollegiate athletics that is designed to meet the needs and serve the best interests of the entire student body.

McCarthy Stadium

Intercollegiate football had been discontinued at the outset of World War II. McCarthy Stadium was the scene of many a thrilling Explorer battle. Presently, the stadium is used for track and field contests. The acquisition of several Quonset huts has increased dressing room facilities for outdoor sports.

The Field House

A spacious gymnasium is located on the southern wing of the quadrangle. It is equipped with modern folding bleachers, which, drawn back, make

available three courts for basketball. The main floor permits a spacious area for major contests. Suspended glass backboards complete the modern dress of the gymnasium.

The Athletic Field

Adjacent to the quadrangle and running the full length of the stadium is an extensive athletic field on which are located several baseball fields, softball fields and volleyball courts.

Intramural Athletics

The program of intramurals is developed to satisfy the needs of the student body to the extent permitted by available facilities. Intramural leagues in seasonal sports—touch football, basketball, tennis, baseball, softball, volleyball, swimming—are formed. Every student enrolled at La Salle is eligible to participate in the intramural program.

Other activities will be added as rapidly as student interests demand and facilities and equipment permit. Students are urged to make known

their interests and desires to the Director of Intramural Athletics.

Intercollegiate Athletics

The program of intercollegiate competition includes basketball, baseball, tennis, track, crew, swimming, soccer and golf. All students are eligible to compete for varsity positions in these sports. Candidates are called at the beginning of the season in the respective sports.

- (a) At all times he must conduct himself as a true gentleman, seeking to advance himself and to promote the best interests of his team and his college.
- (b) He must meet the scholastic requirements demanded of all students.
- (c) After he has been recommended by the coach of the sport in which he has participated, and after he

(To have competed with credit shall be interpreted as having placed in the upper fourth of the competing group.)

Crew

To be eligible for an award in rowing, a member of the crew must have taken part in one-half of the regularly scheduled races.

Soccer

The requirements shall be the same as those in basketball.

The Varsity Award

Basketball, baseball, swimming and track are considered major sports at La Salle; tennis, golf, crew are minor sports. The award shall be an eight-inch block letter of gold; or, in some cases, blue. The granting of a sweater award is at the discretion of the Ath-

letic Council. Sweaters are awarded to those winning their first major or minor letter. The second sweater may be awarded in the Senior year. Sweaters won in the Senior year shall have the number of stripes on the left sleeve equal to the number of letters won in that particular sport. THE COLLEGE MARCH

“Men of La Salle”

Men of La Salle, we are marching
With our colors of Blue and Gold.
Meeting our foemen with valor
For we'll fight for the glory of old.
So let's to the battle with courage
For our goal is now in sight;
And we'll hope, fight, and cheer
With all our might so strong
'Till nobly we have fought and won
the fight.

Chorus

Fight on to victory!
Onward our watchword be.
We're out to win this game with all
its honor.
For you, La Salle, we'll always fight
and conquer.
Fight on to victory!
Let all your courage see.
And homeward we'll cheer thee
As sons of La Salle
So fight on to victory!
